Date

- All grant requirements checked in Column B are not yet met**

I acknowledge that my state is working to meet the requirements checked above according to EPA's grant guidelines. A detailed description of current and planned activities and the date by which my state expects to meet the requirements are attached as part of this package. I understand that failure by my state to meet these grant requirements could result in EPA grant enforcement actions in accordance with 40 CFR 31.43.
